About This Game

Craft, farm, solve puzzles and build a thriving village, right in your pocket!

Return to the famed and mystical island of Isola and be drawn into the latest sequel in the beloved Virtual Villagers series! In the wake of a volcanic terror on the neighboring island of Asura, a family has made their way to Isola, seeking a new home. As their boat lands on the beach, they are greeted by a strange man and begin to explore this mysterious new world.

The beautiful and curious island of Isola was once a paradise home to a thriving civilization but has gone to ruin and untamed jungle. The twists and turns will leave you discovering new, interactive, magical moments at every turn!

A REAL TIME VIRTUAL VILLAGE

- Be the master of your own village: With real-time simulation, the ability to customize your villagers' names and game-changing, random island events, no two tribes will ever be quite the same!
- Breed, heal and care for your beloved village children and families; build a sustainable village up from ruins; unlock improved food sources with farming and fishing; craft unique resources for puzzles and collections; and so much more!

TEACH THEM TO SURVIVE

- Train villagers to become proficient at various skills to perform tasks around the island and survive their new-found world.

-
- Power-up villagers with magical necklaces, and improve productivity, life expectancy and much more for your entire village with magical totems and potions!

BUILD, SOLVE, AND EXPLORE

- Explore the charmed island to solve all-new puzzles and uncover mysterious island secrets.
- Gather and combine resources from around your new virtual home to craft rare resources and unlock rewards from completed collections.

CARE FOR ADORABLE ISLAND PETS

- Acquire homes for a Lemur and Herring that will help weed out pests and discover magical items around your new island.

REQUESTS FROM DIEHARD FANS

- Reincarnate cherished villagers with all their skills.
- Crack open daily reward crates that wash up on shore!

** Please note: this game requires an active internet connection! **
